Dear Mr. Singh:

Enclosed please find revisions to the Genwal Crandall Canyon Mining and Reclamation Plan. These revisions were approved effective June 25, 1997 and deal with the expansion of the surface facilities area and culverting approximately 1300 feet of Crandall Creek.

These changes will need to be inserted into your copy of the approved Mining and Reclamation Plan. Please call if you have any questions.

Sincerely,

A handwritten signature in cursive script, reading 'Daron R. Haddock'.
